The second mixer of the year took place on April 10th and in this event the Rossmoor Women's 18 Hole Golf Club competed using two best ball scoring for each group.

Teri Lapierre, Barbara Schurhoff and Ilene Colby were the winners. Coming in second were Del Poirer, Shin Kim, Bari Mantel and Barbara Crane. Rena Snyder, Mary Hufford, Karin Romak and Joyce Cohen came in third. In fourth place were Inger Bjornsson, Olivia Hsueh, Aileen Choi and Sil Jung.

Hole 11 was popular last Thursday as Rosalie Devlin, Sil Jung and Nancy Grosword all scored birdies there. Also, Joyce Cohen had a birdie on hole 16. Rosalie Devlin had a chip-in on hole 7.

There are several fun events coming up for members in the coming weeks. The first of these is Egg Stravaganza which will take place this week. If you like chocolate and you are good in a skins type format be sure to be there tomorrow.

Coming May 1st is the highlight of this season, the annual Spring Fling. This tournament is always particularly enjoyable because all teams consist of members from both women's golf clubs, the Niner's and the 18'ers. It is followed with a luncheon and a golf attire fashion show in the Event Center. The models this year will be Charlene Gonzales, Linda Spiegelman, Melinda Hall, Jeanne Steidel, Kim Shin, Jean Carroll, Janice Davis, and Robin Moreau. The sign-up envelopes are located in the pro shop and reservations will be accepted through April 25th. All 18'ers are encouraged to participate in this fun event.
