

## In 2016 Awards and Recognition were in Abundance

As the title of the gathering stated, "Membership Awards Dinner", the dinner and the awards were the highlight of the evening. Throughout the year, the RMGC has awarded over **\$20,000 in Pro Shop Credits** for tournament winners during 2016. Winners from the three major tournaments: Directors Cup, Match Play, Stroke Play and Member/Member Championships were recognized. The Directors Cup was presented to Colin Ferrett who is pictured below, and the remaining trophies . . . well never in the history of RMGC Golf has one man dominated the yearly competition. In winning the 2016 Member/Guest Invitational, the Stroke Play & Match Play Championships along with the newly created Member/Member Tournament and so dubbed by the presenter, Chuck Moran proclaimed the Curtis Mitchell "Keeper Sweep"! Winner of all four events, Curtis will have his name engraved on all four trophies for the same year. A big congratulations to Curtis and the Keeper Sweep.
