ROSSMOOR WOMEN'S 18-HOLE GOLF CLUB
GENERAL MEETING MINUTES
Thursday, February 11, 2016,
Event Center Tahoe Room

The meeting was called to order at 11:45 a.m.

Margo Dutton, Captain, welcoming the members of the 18ers present at the Launch the Season lunch and general meeting, said that she was looking forward to a very successful year of golf.

Janice Davis, representing the WGANC Board of Directors, said that participation in major tournaments in 2016 would be on a first-come-first-served basis. Registration would open online at 9 a.m. on the Monday six weeks before the start of a tournament in the presence of a WGANC official who would be able to solve any computer problems that might arise when so many people were trying to access the WGANC Web site at the same time. Problems could be avoided if everyone made sure in advance that their WGANC user name, password and profile were up to date. Only one person per team of two or four had to sign up for a particular tournament.

She also urged everyone to “like” WGANC on its Facebook page and to sign up in large numbers for Open Days.

Margo Dutton, Captain, speaking on behalf of all members of the 18ers, congratulated Diane Matoney on her birthday on February 10 and thanked Bari Mantel and Joan Baggett for organizing the 2016 Launch the Season party.

Mark Heptig, Director of Golf, said that Chris Andres, the Pro Shop assistant who had recently passed the professional players’ test, would be helping the 18ers with their tournaments in 2016.

The Pro Shop would be organizing many golf activities in the coming months, including one-day spring clinics and a mini golf school offering one hour of instruction and one hour of golf practice. There was a launch monitor to try out on the driving range and lessons and new teaching gear were also available.

When he had recently met with the 9ers, he had drawn attention to the importance of having fun, understanding etiquette and respecting other players.

All golfers should therefore review etiquette from time to time and use their equipment and cart to speed up play by being able to hit a golf shot in 20 seconds, knowing the rules of golf and leaving the course better than they had found it.

Margo Dutton, Captain, said that nametags to be worn on play days would soon be available for everyone.

A “member mixer” in the form of a 9 a.m. shotgun would be held on March 3.

She urged all members to sign up for the Sassy Sixties tournament in April and to volunteer for committees and other tournaments in which they were not playing.

Linda Pingatore had a signup book for those who were looking for partners to play with on days other than Thursdays.
