

CONGRADULATIONS TO THE WINNERS OF RMGC'S MAJOR TOURNAMENTS

Starting last Saturday, many members of the RMGC competed for recognition as winners of the Stroke Play and the Directors Cup Tournaments.

The Stroke Play Tournament, a 36-hole event, was played from the blue tees and the balls were played where they laid. In other words, this tournament was played like the pros. The winner of the Stroke Play Championship was Daryl Mathews with a score of 159. His name will appear on the Stroke Play Trophy and he will be presented with a Green Jacket. Daryl said that his winning is the culmination of 2 years of constant lessons and intensive work on his part. He feels that he is in a place that he never expected to be and appreciates the hard work of Brent Mulanax, one of our teaching pros here in Rossmoor.

The RMGC Directors Cup Golf Tournament was won by Richard Jones with a tournament best score of 142 for 36 holes. His name will appear on the Directors Cup trophy as the winner of the 2020 competition. Also, of importance to note is that there were 4 flight winners of this tournament. They include Steve Zell (145), Greg Gould (144), Michael Weisenberg (145) and Dick Hurley (148). This competition was scored with each individuals handicap, giving everyone who participated an even playing field.

These tournaments are generally the last two of the year. However, this year there will be 3 additional RMGC events that are available to all of our members. The type of tourney and the exact dates will be provided as they are planned and announced.

We will look forward to upcoming events including the RMGC Membership Meeting on November 6 at 4:00 PM on Zoom.
