

RMGC SPRING MEETING  
BRINGING THE CLUB TO THE 21<sup>st</sup> CENTURY

Rossmoor Men's Golf Club held its Spring Membership Meeting on Monday, March 8, 2021, on Zoom. The meeting was hosted by John McDonnell. The members who joined the meeting received a great deal of information.

Mark Heptig, the Head Pro at Rossmoor, discussed proposed course improvements scheduled for this year. The list is long but will include improvements to the drainage systems along with possible increased changes to control water usage, upgrades to sand traps, provide artificial turf to some of the tee boxes, etc. Mark and his staff are a great source of information about golf, the golf course and its history.

Tom Snyder, RMGC President made a few opening remarks then presented several issues that were of interest to the membership. Minor changes to the bylaws, as presented by Michael Wener, parliamentarian, were discussed and passed by a vote of the membership. Tom went on to discuss the upcoming use of the Golf Genius program to sign up and pay for the RMGC tournaments (more detailed information about the program will be provided in the near future). This program will also allow the club unlimited email and text, custom event websites and automated communications to the membership. Finally, Tom discussed this year's events. It looks like it will be a great year.

Mark Weiss, Chairman of the Communications Committee, next presented a very special award to Bill Harrick. Bill was given the honor of being the first ever "Man of the Year" of RMGC. He was also provided the additional privilege of being a Lifetime Member of the club. Bill has been dedicated to RMGC for the 24 years he and his wife Rosemary have been living in Rossmoor and has held most every position on the Board of Directors. His experience and guidance has been greatly appreciated by all who know Bill. Bill, thanks for all you've given the club in the past as well as what you'll provide us in the future.
