

RMGC Back Nine at the Masters Tournament

Wednesday, April 7, 2021

The tournament will be a flighted, four man, two best ball format for **HOLE 10-18** on the Stanley Dollar course or 9 holes on the Creekside course. Make your foursome team or enter as 1,2 or 3 players and the proshop will create a team. Pick your tees, and course you want to play.

Holes 1-9 on the Stanley Dollar course will be open play due to the greens having been aerated, however, there will be closest to the pin on holes 2 & 4 for each flight. Holes 10-18 will be the tournament scores for the 2 best balls of the foursome. After the round, turn in the score card to the proshop. Each flight will have a win, place and possible show money, depending on the number of teams in their respective flight. Creekside teams will also have a closest to the pin.

To add excitement and more interest, there will be a separate tournament where each team's 2 better ball 9 hole scores will be combined and linked to a Masters player's opening round 18 hole score on Thursday. The Masters player list will have both past Masters champions and some players in the top 10 world ranking. The proshop will **RANDOMLY** assign one of the players to each team in each flight. The Wednesday score of the RMGC team will be added to the score of their assigned professional to determine final scores for each flight. There will be payouts in each flight based on the combined score. There will also be payouts for skins and eagles.

Entry fee is \$20. Place check, payable to RMGC in the drawer. **THE SIGN UP DEADLINE IS 5 PM SATURDAY, APRIL 3. NO REFUNDS AFTER THAT DATE.** Email signups to chuck.r.moran@gmail.com. Include in email your name, partners, course, and tees for each player. Pairings, tee times and name of your professional will be posted Tuesday, April 6.
