

Bogey Bear Stands with new 2022 RMGC Champion

The 2022 RMGC match play championship was held on three separate days in October with a championship flight and 4 net flights allowing all players to compete in flights matching their golfing skill set.

The championship flight was played from the blue tees, with no Rossmoor “bump” and all contestants playing at a scratch handicap. The net flight competition was held from tees chosen by each player with again no Rossmoor “bump”, but handicap strokes allocated per USGA rules.

The final matches were played on Saturday, October 21 on the Stanley Dollar course. The championship flight pitted the cagey veteran Curtis Mitchell against a new player to the championship venue, Chris Tallon. After 18 tightly contested holes, Chris Tallon secured his first RMGC major championship title with a 1 up victory. Chris was awarded the match play championship trophy by Brent Mulanax, and celebrated next to our latest golf icon, “Bogey Bear” who stands proudly next to the Creekside pro shop.

Net flight winners were:

Flight 1- James Soo Hoo winning 5 & 3 over John Endicott.

Flight 2- Richard Jones winning 4 & 3 over

Chuck Leong.

Flight 3- Karl Stinson winning 2 up over John McDonnell.

Flight 4- Dan Ring winning 4 & 3 over Bruce

Newman.

Special thanks to Brent Mulanax and Tom Snyder who managed the tournament for the RMGC, and to the greens crew for getting the course in shape for the tournament. This concludes all the major golf events for the 2022 RMGC season. Congratulations to all the winners of all of the 2022 golf events.

Chuck Moran
