Reports of Officers

PRESIDENT SNYDER

The meeting began with a discussion of the use of the Golf Genius program. Burke Ferrari noted that other Rossmoor golf organizations were looking at the possibility of using Golf Genius. Pat Iacullo also noted that the use by other clubs was a possibility. Both the 18ers and 9ers were investigating possible use of Golf Genius. The question of possible piggy-backing arose. Past President Atkins asserted that revenue sharing needed to be in place. That is, if other organizations are going to use Golf Genius, they will be required to pay for the use. It was noted that the 18ers were considering the use of the Pro Shop for free.

Ed O'Dea asked if Golf Genius could be used in Home and Away events. Burke Ferrari suggested that was a possibility.

President Snyder proposed that a Ways and Means Committee should be appointed to manage the Golf Genius system, particularly to manage costs.

A new committee will be appointed to prepare nominations for new Board members.
