Teddi Swanson introduced 12 new members from the end of 2023 and new for 2024.

Joyce McCann presented info for the March 25 Special Rules Seminar to focus on the differences between stroke and match play and when you have a partner. On-course rules classes will start in April.

Mark Heptig was introduced and reported the following:

- There were +/- 4100 rounds played in Jan 2024 vs. +/- 1300 rounds in 2023.
- The tree that recently fell on #14 is a big change for that hole!
- New Range Dispenser coming soon – will use QR code, mobile and other options.
- Bridges on the 9-hole course will be redone by the end of next year.
- A lake-liner study is underway.
- New scorecards are coming. Will have QR code, new rules for #15, cleaner and different.
- The grass-to-mulch project is set aside for the time being.
- The pickleball construction project will start in April. The 18<sup>th</sup> fairway will probably be under construction for awhile in March.
